## ADDITIONAL LIABILITY EXCLUSIONS (2017)

It is understood and agreed that:

A. The Personal liability and Medical Payments sections of your policy do not apply to “bodily injury” or “property damage”:

1. Arising out of or caused directly or indirectly by any actual or alleged sexual molestation, corporal punishment, physical or mental abuse, assault or battery or any act or omission in respect of the prevention or suppression of such sexual molestation, corporal punishment, physical or mental abuse, assault or battery.
2. Arising out of or caused directly or indirectly by the actual or alleged:
  - a) exposure to, inhalation, ingestion or existence of asbestos, or any other material, substance or structure containing asbestos; or
  - b) repair, removal, encapsulation, abatement, replacement or handling of asbestos, or any other material, substance or structure containing asbestos;

whether or not the asbestos is or was at any time airborne, contained in a product or structure, ingested, inhaled, transmitted in any fashion or found in any form whatsoever.

3. Arising out of or caused directly or indirectly by the actual or alleged exposure to electromagnetic fields, whether naturally occurring or man-made.
4. Arising out of or caused directly or indirectly by the actual or alleged:
  - a) exposure to or existence of lead or any material or substance containing lead; or
  - b) repair, removal, encapsulation, abatement, replacement or handling of lead or any other material or substance containing lead;

whether or not the lead is or was at any time airborne, contained in a product, ingested, inhaled, transmitted in any fashion or found in any form whatsoever.

This exclusion also applies to any loss, cost, expense or damages, whether direct or consequential, arising out of any:

1. request, demand or order that any insured or others test for, monitor, clean up, remove, abate, contain, treat, or neutralise lead or any other material or substance containing lead or in any way respond to, or assess the effects of lead, or
  2. claim or suit relating to testing for, monitoring, cleaning up, removing, abating, containing, treating or neutralising lead or any other material substance containing lead or in any way responding to, or assessing the effects of lead.
5. Arising out of or caused directly or indirectly by the actual or alleged:
    - a) exposure to, inhalation, ingestion or existence of radon gas; or
    - b) removal, encapsulation, abatement, or handling of radon gas.
  6. Arising out of:

- a) any direct or indirect, actual or alleged or threatened discharge, dispersal, seepage, migration, release or escape of pollutants whatsoever and wheresoever occurring.
- b) any loss, cost or expense arising out of any request, demand or order that any insured or others test for, monitor, clean up, remove, abate, contain, treat, or neutralise pollutants, or in any way respond to, or assess the effects of pollutants.

Pollutants means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapour, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

- 7. Arising from the use or ownership of any swimming pool that does not comply with any Federal, State, local government or other governmental authority law or regulation.

B. The Personal liability and Medical Payments sections of your policy do not apply to liability:

- 1. Arising from a refusal or failure to employ, promote or fairly compensate any person, or from supervision or failure to supervise, coercion, reassignment, discipline, defamation, harassment, intimidation, creation of a hostile work environment, humiliation or discrimination of any person.
- 2. Arising from any act, error or omission in respect of the provision of employee benefits of any kind by **you**.

C. This insurance shall not apply to fines, penalties, punitive damages, exemplary or non compensatory damages, or any damages resulting from the multiplication of compensatory damages.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED

**ADDITIONAL LIABILITY EXCLUSIONS (2017) Continued.**

**Mold Limitation**

The following limitation applies to the Personal Liability and Medical Payments to Others sections of your policy.

If a claim is made or suit is brought against you for damages because of "bodily injury" or "property damage" caused by an "occurrence" of mold, mildew, fungus, spores or other microorganism at the dwelling where you reside which is shown in the Declarations, whose presence poses an actual or potential threat to human health, we will:

- a) pay up to USD 50,000 in all during the period of insurance for the damages for which an "insured" is legally liable. Damages include prejudgment interest awarded against an "insured"; and
- b) provide a defense at our expense by counsel of our choice, even if the suit is groundless, false or fraudulent. We may investigate and settle any claim or suit that we decide is appropriate. Our duty to settle or defend ends when our limit of liability for the "occurrence" has been exhausted by payment of a judgment or settlement.

Personal Liability and Medical Payments to Others do not apply to monitoring, testing, clean up, removal, encapsulation, abatement, treatment or handling of mold, mildew, fungus, spores or other microorganism.

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED**

#### **TOTAL LOSS EARNED PREMIUM CLAUSE**

Notwithstanding anything contained in this insurance to the contrary, it is understood and agreed that in the event of the cancellation of this insurance there shall be no return of any premium in the event of a total or constructive total loss of the "residence premises".

For the purposes of this insurance total or constructive total loss shall mean a loss where the cost to repair or replace would exceed 80% of the full replacement cost of the "residence premises".

THIS ENDORSEMENT DOES **NOT** CONSTITUTE A REDUCTION OF COVERAGE.

**NO SECTION II – LIABILITY COVERAGES FOR  
HOME DAY CARE BUSINESS  
LIMITED SECTION I – PROPERTY COVERAGES FOR  
HOME DAY CARE BUSINESS**

- A.** "Business", as defined in the policy, means:
1. A trade, profession or occupation engaged in on a full-time, part-time, or occasional basis; or
  2. Any other activity engaged in for money or other compensation, except the following:
    - a. One or more activities:
      - (1) Not described in **b.** through **d.** below; and
      - (2) For which no "insured" receives more than \$2000 in total compensation for the 12 months before the beginning of the policy period;
    - b. Volunteer activities for which no money is received other than payment for expenses incurred to perform the activity;
    - c. Providing home day care services for which no compensation is received, other than the mutual exchange of such services; or
    - d. The rendering of home day care services to a relative of an "insured".
- B.** If an "insured" regularly provides home day care services to a person or persons other than "insureds" as their trade, profession or occupation, that service is a "business".
- C.** If home day care service is not a given "insured's" trade, profession or occupation but is an activity:
1. That an "insured" engages in for money or other compensation; and
  2. From which an "insured" receives more than \$2,000 in total/combined compensation from it and any other activity for the 12 months before the beginning of the policy period;
- the home day care service and other activity will be considered a "business".
- D.** With respect to **C.** above, home day care service is only an example of an activity engaged in for money that may be a "business". Any single activity or combination of activities:
1. Described in **A.2.** above, and
  2. Engaged in for money by a single "insured";
- may be considered a "business" if the \$2000 threshold is exceeded.
- E.** With respect to **A.** through **D.** above, coverage does not apply to or is limited with respect to home day care service which is a "business". For example, this policy:
1. Does not provide:
    - a. Section **II** coverages. This is because a "business" of an "insured" is excluded under **E.2.** of Section **II** – Exclusions;
    - b. Coverage, under Section **I**, for other structures from which any "business" is conducted; and
  2. Limits Section **I** coverage, under Coverage **C** – Special Limits of Liability, for "business" property:
    - a. On the "residence premises" for the home day care "business" to \$2,500. This is because Category **h.** (**e.** in Form **HO 00 08**) imposes that limit on "business" property on the "residence premises";
    - b. Away from the "residence premises" for the home day care "business" to \$500. This is because Category **i.** (**f.** in Form **HO 00 08**) imposes that limit on "business" property away from the "residence premises". Category **i.** does not apply to property described in Categories **j.** and **k.** (**g.** and **h.** respectively in Form **HO 00 08**).

### Sanction Limitation and Exclusion Clause

No (re)insurer shall be deemed to provide cover and no (re)insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that (re)insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

### **MICROORGANISM EXCLUSION (ABSOLUTE)**

This Policy does not insure any loss, damage, claim, cost, expense or other sum directly or indirectly arising out of or relating to:

mold, mildew, fungus, spores or other microorganism of any type, nature, or description, including but not limited to any substance whose presence poses an actual or potential threat to human health.

This Exclusion applies regardless whether there is (i) any physical loss or damage to insured property; (ii) any insured peril or cause, whether or not contributing concurrently or in any sequence; (iii) any loss of use, occupancy, or functionality; or (iv) any action required, including but not limited to repair, replacement, removal, cleanup, abatement, disposal, relocation, or steps taken to address medical or legal concerns.

This Exclusion replaces and supersedes any provision in the Policy that provides insurance, in whole or in part, for these matters.

However, this Policy does not insure any such damage first reported to the Underwriters more than 12 (twelve) months after the expiration, or termination, of the period of insurance.
4. Insurance under this Policy in respect of asbestos shall not include any sum relating to:
  - (i) any faults in the design, manufacture or installation of the asbestos;
  - (ii) asbestos not physically damaged by the Listed Peril including any governmental or regulatory authority direction or request of whatsoever nature relating to undamaged asbestos.
